

Appl. No. : 10/694,198
Filed : October 27, 2003

SUMMARY OF INTERVIEW

Attendees, Date and Type of Interview

The following is a summary of a personal interview between Examiner Foreman, the Applicant, Dennis Keiser, and Applicant's counsel, William H. Shreve, on February 20, 2008. The Applicant and Applicant's counsel wish to thank the Examiner for his time and consideration.

Exhibits and/or Demonstrations

None.

Identification of Claims Discussed

Claim 1.

Identification of Prior Art Discussed

MacFarlane et al. '157.

Proposed Amendments

An amendment to Claim 1 was discussed relating to generating an output that represents at least the measured velocity and calculated power for a plurality of exercise strokes.

Principal Arguments and Other Matters

MacFarlane '157 does not teach the method recited in amended Claim 1, much the original claim.

Results of Interview

The Examiner will further consider the amendment upon Applicant filing a formal response.
